

# Shonaquip Repair & Refurbish

We are excited to introduce you to **Shonaquip Repair and Refurbish**

R&R is a division of Shonaquip, which offers Repair & Refurbishment services for all Shonaquip devices. R&R also Repairs and Refurbishes trolleys and bedside tables, hospital beds, furniture and commodes, as well as manual and electric wheelchairs.

## **WE OFFER:**

- 1 A walk-in repair service
- 2 Mobile outreach repair service
- 3 Door to door collection service

Our Repair & Refurbishment services already extend across the entire Western Cape Province and we are negotiating similar support services in other provinces.

R&R forms part of our Shonaquip Training Academy, which includes the development of a formal training, mentoring and work creation project. This programme is focused on training people with disabilities, their families and caregivers in tool skills, repair and refurbishment.

## **We provide an emergency wheelchair rental service.**

We have a wide variety of folding frame wheelchairs, all in excellent condition and maintained by trained wheelchair technicians.

We have a wide range of sizes available, to ensure you are comfortable and properly seated in the wheelchair. All the wheelchairs have removable armrests and adjustable footrest making it easy and hassle free to transport in your vehicle.

We can also provide a variety of pressure care seat cushions with waterproof covers upon request.
